

LIVE FINANCIAL & VALUATION MODELING WEBCAST AT UNIVERSITY OF NEW BRUNSWICK – SEPTEMBER 7, 8, 12, and 14, 2011

The Centre for Financial Studies, Faculty of Business Administration will be hosting Wall Street Prep's live Financial and Valuation Modeling webcast at University of New Brunswick on the evenings of September 7, 8, 12, and 14, 2011. **Taught by former investment bankers with applied expertise in financial and valuation modeling methodologies, *these intensive live webcasts bridge the gap between academics and the real world to equip students with the practical financial skill set they need to excel during the recruiting process and on the job.* Full details about the webcast can be found at: http://www.wallstreetprep.com/training_unb.html**

WEBCAST AGENDA:

September 7-8 (6pm-9pm): Financial Modeling in Excel

September 12 and 14 (6pm-9pm): Introduction to Valuation / Discounted Cash Flow (DCF) Modeling

WHO SHOULD ATTEND?

This webcast is for all students pursuing internships and full-time positions in: investment banking, corporate finance, private equity, portfolio management, business development, capital markets, and equity & credit research

WHY SHOULD YOU ATTEND THIS SEMINAR?

- Supplement academic theory with real-life applications
- Simulate what finance professionals actually do on a daily basis
- Obtain practical financial skill set needed to excel during interviews and on the job in finance

HOW TO REGISTER:

Online at http://www.wallstreetprep.com/training_unb.html

COST PER STUDENT:

\$300 + HST

WHAT'S INCLUDED?

- Two days of live webcast training
- Extensive materials – comprehensive manuals and robust and reusable Excel model templates
- 3-month access to Crash Course in Excel online module
- 3-month post-seminar online access to Financial and DCF Modeling modules covered during the seminar
- 3-month e-mail access to Support Team, comprised of former finance professionals, whom students can contact with follow-up questions
